## Closing Words

Dear parent,  
**Greetings from NAWIS!**

A new academic year dawns with new aspirations, new possibilities, newer challenges and a renewed commitment towards education that is rooted in values.

Our kindergartners joyfully marched to school on 9th March 2025, excited, eager and ready for their new learning adventures. The art of teaching is the art of assisting discoveries, an art that inspires the child to believe in one's infinite capabilities and one that guides him to believe that every positive change starts within oneself.

We earnestly strive to steer our efforts to deliver such an excellence that goes beyond the ordinary, foster holistic education that creates global citizens who are progressive in their outlook, who reverence human values and who are inspired to pioneer a positive change in one's community!

Best wishes for yet another exciting year!

**Warm Regards**  
**Team KG**

A new school year means new beginnings, new adventures, new friendships, and new challenges. The slate is clean and anything can happen.”

## Welcome Week

Our little kindergartners trotted excitedly to school, to begin the new academic year on 9th March 2025.

The academic period in March albeit brief, witnessed an array of bridging activities which were directed at settling the new students in Pre Kg and scaffolding and reconnecting the concepts learnt in Literacy and Numeracy for the senior KG classes.

Our bridging activities included prewriting skills like tracing and mazing, fine and gross motor skill activities, drawing, craft and colouring activities, recap of phonic sounds, word families and revisiting the numbers learnt.

March witnessed the little ones prepping up for the new school year with much frenzy and enthusiasm. The school closed for Eid holidays on 20th March 2025.
