Sub: VIBRANT WUROOD GAVEL CLUB

Dear Parent,

Gavel Club is a yearlong intensive program under the stewardship of the Toastmasters International where specially designed programs help young students develop public speaking and essential soft skills. Even more sophisticated soft skills like leading, negotiating, facilitating, delegating tasks, following up, reporting, mentoring etc are practiced by taking up leadership roles in the club meeting. These soft skills later become invaluable assets for their future.

Gavel Club has been a systematic and regular affair at New Al Wurood International School for more than a decade creating a bunch of public speakers with unmatching oratory skills every year.

The Fifth club meeting is on Saturday, 9th November, 2024 from 8.00 am to 12.30 pm. Transport facility will be arranged for the transport users.

Looking forward to meeting you in the meeting.
