

Block: 13- Democracy

1. Write three differences between democracy and dictatorship.
2. How did the developments in England strengthen democracy?
3. What do you mean by Rule of law? Why is rule of law important in a democracy?
4. How did the French and American Revolution contribute to the development of democracy?
5. What do you mean by constitution?
6. What are the different types of government? Explain.
7. What are the differences between direct and indirect democracy?
8. Why is equality important in democracy?
9. Give an example of the following.
  - a). A country with military dictatorship.
  - b). A country with one-party rule.
  - c). A democratic country.

**10. Project Work.**

Conduct a survey in your neighborhood. Talk to people and find out (i) How many of them favour democracy as a form of government and why and (ii) Whether they vote in elections or not. Share your findings with a local magazine or a newspaper in the form of a letter to the editor.
