Note: Holiday homework has been designed with the following objectives in mind:

1. To keep the children connected with the syllabus.
2. To enhance children's creativity and engage them constructively during the holidays.
3. To bring out the innate potential in children.

Parents are the facilitators of the child at home and are requested to assist your child to do their holiday assignment and submit it on the reopening day after the vacation as it will be graded as a subject enrichment activity.

Regards,

Principal.
